

Rymdstyrelsens forskningbidrag 2014-2017

baserade på ansökningar inom utlysningarna 2013-R och 2013-BR
och forskningskommitténs rekommendation från 2013-11-27

Med reservation för fel och ändringar - endast påskrivet kontrakt gäller.

Notera att projekt inom jordobservation hanteras av en annan kommitté och är inte upptagna i denna tabell.
